

Dear Parents,

Just sending a quick note home with your son to let you know about the details of the upcoming final two weeks of our season.

I have really enjoyed working with this group. They are one of the hardest working bunch I have had the pleasure to coach. I believe they have a lot of good basketball ahead of them.

Below is the schedule for the rest of our games. The tournament brackets will not be released until Friday.

Sincerely,

Ed Sughroue
